Let us introduce you to Micro Barmate—the computer-age bar guide for parties and entertainment. The program comes complete with drink recipes ranging from how to make a martini dryer than the Sahara Desert to the delicious surprise of a Pink Lady! Whether you're making cocktails for two or two hundred, Micro Barmate is the advisor you can always count on. Further, Micro Barmate never says "no": it's always in the mood for a party, and always ready to discuss its favorite topic—alcohol!
